

As a Certified Member of the Audubon Co Operative Sanctuary System, the St. Thomas Golf & Country Club received a letter of congratulations from Jean Chretien, Prime Minister of Canada.

OTTAWA, ONTARIO, CANADA

I am delighted to extend my sincere congratulations to the staff and members of the St. Thomas Golf and Country Club as you are presented with the Kettle Creek Conservation Authority Annual Stewardship Award for achieving the designation of Certified Audubon Co-operative Sanctuary.

Since 1995, the staff and members of your Club have worked tirelessly to achieve this designation, joining eight in Ontario and 21 in the rest of Canada. As you are honoured here today, you may take great pride in your work to protect and manage this 170 acres of land in an environmentally conscious manner.

Please accept my best wishes for a most enjoyable and memorable celebration. I am sure that you will continue to maintain this high level of respect for the environment in which we live.

OTTAWA
