

UNION 1899

A legendary experience.

Land Scape

A STORIED PAST.

Set on one of the most spectacular pieces of land in southwestern Ontario, St. Thomas Golf and Country Club is a Stanley Thompson masterpiece. Designed by Thompson in 1922 and later altered by Robbie Robinson, the course has truly withstood the test of time and continues to provide a stern challenge today. With tree-lined fairways that meander through the rolling terrain and some of the most demanding putting surfaces in the province, a round at St. Thomas always requires your full attention.

Our exceptional golf course is what truly defines St. Thomas as a player's club. It's history of hosting great tournaments has seen the likes of Moe Norman, George Knudson, and Mike Weir each win on its fairways. But even if you're not at the level of those Canadian greats, St. Thomas is still a thoroughly enjoyable experience. With incredible conditioning and an eminently playable course, St. Thomas will give you a thrill and keep you coming back for more.

"YOU CAN'T LET UP ON THIS GOLF COURSE."
